POLICY

Title: Establish a bylaw to Regulate and Control Animals within the Municipality

Policy Statement *

That as of February 12, 2013, the Village of Barons established a bylaw to regulate and control dogs within the Village of Barons.

The Purpose of This Policy is to:

To regulate and control the dog population within the Village boundaries, by establishing set rates for licensing, penalties and to provide for the safety and well being of all residents of the Village of Barons.

Definitions:

Responsibilities: The Village of Barons will appoint a Dog Control Office to enforce Bylaw #679.

Procedures: As outlined in Bylaw #679

**** This policy is subject to any specific provisions of the Municipal Government Act, the Local Authorities Board Act or other relevant legislation.**
